

HOW DO I RENEW

Beginning April 1, 2019, an MMCC ID card will be required for purchases at all licensed Maryland dispensaries.

Existing patients with an MMCC ID card can continue to use the MMC ID card until it expires.

Existing patients who do not have an MMCD ID card have two options:

1. Beginning March 1, 2019, submit a renewal application to MMCC (\$50 fee). The renewal registration will expire 3 years from the date of renewal.

Or

2. Order an MMCC ID card (\$50 fee). This card will expire on the date listed on your current registration

New patient registrations will expire 3 years from the expiration date.
